

AMERICAN CONCRETE PAVEMENT ASSOCIATION

Two-for-One Ads in *Concrete Pavement Progress* Magazine

Something exciting is happening at the American Concrete Pavement Association: *Surface Transportation* magazine is changing its name to *Concrete Pavement Progress*, starting with the 3rd Quarter 2010 issue.

The magazine will still reach 4,000 top decision-makers in the concrete pavement industry and the top executives of federal and state departments of transportation. It will still report on current issues, plus a renewed focus on concrete pavement case studies and innovation and ingenuity throughout the industry.

Please join us in this exciting new magazine and reach your best customers with our two-for-one advertising opportunity. Buy an ad in the 3rd Quarter 2010 Issue of *Concrete Pavement Progress* and receive a free ad in the 4th Quarter 2010 issue. Visit www.surfaceconcreteprogress.wordpress.com and click on "Advertising" to see the advertising rates and insertion order form. But hurry – the deadline is August 10!
